GENERAL INFORMATION

Join us for fun and a little break!

You're invited to join other mothers in an evening of relaxation, refreshments, sharing, and crafts. Its time to be girlfriends again.

Mothering is the most important responsibility in our lives. As a mother of 2 children, one with a disability, I found life joyful, challenging, frustrating, and exhausting balancing parenting, working, housework, being a wife, neighbor, etc. I was accomplishing tasks, but was not enjoying the journey.

- ➡ MOMS is an evening to focus on the needs of mothers in preparation for enjoying each moment in the busy days. At the MOMS monthly meeting, it is a time to meet other mothers, enjoy creativity, share our journey, resources, knowledge, and have time to relax and network. Regardless of where you are in your mothering journey, MOMS is a place in our community to share these experiences.
- ➡ MOMS serves mothers of all ages and stages, mothers who work hard to balance the demands on their time and energy, and mothers who

want to renew themselves personally and spiritually.

➡ MOMS is about; accepting, sharing, listening, growing, supporting, and searching. MOMS is not about; venting, judging, counseling, or preaching.
